**POST CONGENITAL CARDIAC SURGERIES CONDUCTED BY**  
**CARDIOVASCULAR AND RESPIRATORY PHYSIOTHERAPY**  
**DEPARTMENT**

Topic: Seminar on Pediatric Cardiac Rehabilitation Post Congenital cardiac Surgeries.

Date: 25th November 2023

Venue: Auditorium, Sri Sathya Sai Sanjeevani Hospital, Kharghar

Coordinator: Dr. Vijayendra Rajguru and Dr. Sabina Hakim.

Vice-Principal: Dr. Pranjal Grover

Attended by: Medical, Physiotherapy and Nursing Staff all over Maharashtra (Hybrid Mode)

Photographs included: Yes

Congenital Cardiac Rehabilitation seminar, being first of its kind, was organized with an objective of early recognition of sign & symptoms of cardio-respiratory system deconditioning, lack of proper and competent prescription of cardiovascular and respiratory physical therapy to the pediatric population and actual application of cardio-respiratory rehabilitative techniques to the children and education of parents and guardians. On 25th November 2023, department of Cardiovascular & Respiratory Physiotherapy of TMV's Lokmanya Tilak College of Physiotherapy organized and conducted a seminar for the students and staff of Physiotherapy, Nursing and Medical faculty of TMV LTCOP, Sri Sathya Sai Hospital Trusts from all across India participated as delegates in the seminar at Sri Sathya Sai Sanjeevani Hospital for Children Campus Auditorium, Kharghar Navi Mumbai from 10:00am till 12:00pm. The resource persons for the seminar were Dr. Mugdha Khapre, Consultant Pediatric Intensivist, Shri Sathya Sanjeevani Hospital, Kharghar Navi Mumbai, who spoke on the topic, 'Pediatric Cardiac Surgeries - scope and complications'. Dr. Jaimala Shetye Associate Professor at Physiotherapy School & Centre, Seth GSMC & KEMMH, Mumbai spoke on the topic, 'Pediatric Cardiovascular & Pulmonary Rehabilitation post Congenital Cardiac Surgeries'. Total of 148 delegates participated in the seminar.
