Report of the Event:

An objective Structured Practical Evaluation (OSPE) was organized for the students of III B.P.Th. The (OSPE) was planned after the feedback of the Functional Diagnosis and Physical Skills terminal exam given by Dr. Satish Pimpale and Dr. Vaishali Ingole. To improve the performance in short case 2 practice sessions were arranged for the students in the concerned topics prior to the prelim exams. Three important topics 1) Proprioceptive Neuromuscular Facilitation 2) Neurodevelopmental Therapy and Roods Technique were selected for OSPE. The question stems and scoring sheet were validated by 3 subject experts.3 stations were arranged. Each station was assigned 10 marks. Hence the total marks for the OSPE were 30. The students were appraised of the OSPE process and marking system 1 week prior. 26 students participated in the OSPE. 2 students were absent. Dr. Pranjal Grover (PNF), Dr. Vaishali Ingole (NDT) and Dr. Apoorva Dighe (Roods Technique) were the examiners. Dr. Satish Pimpale was helped in organizing and conducting the OSPE. The final mark list is attached herewith.
