Report of the Event:

An educational field visit was conducted for final year BPTTh students at Smt Kamla Raheja Rehabilitation Centre for Paraplegics, Vashi on 25th February 2023, between 1-3pm. The aim of the visit was that students could see a holistic approach to complete rehabilitation of the patient. Students visited the complete Centre and its departments like Physiotherapy, Vocational centre, male and female wards. Practical knowledge to students about spinal cord injury, assessment (ASIA Scale practical assessment) and rehabilitation were taught by the accompanied faculties (Dr. Shweta Phadke, Dr. Pranjal Grover & Dr. Apoorva Dighe). 34 students participated in the visit and made a successful event. Feedback form was filled by the students, where all the students found the visit helpful and improved their current knowledge about rehabilitation. Also, the students recommended similar visit for further batches of LTCOP.
