d.	Student : Bed Ratio (Undergraduate) : 1:5 <u>1:5</u>	1:5																																																																																											
e.	Average Bed Occupancy in % :	95%																																																																																											
f.	Whether separate Registration room is available at OPD? f. Number of total patients registered in last Year : <u>58442</u> g. Number of New Patients registered on daily average: <u>56 patients/day</u> h. Number of Old patient registered on daily average : <u>166 patients/day</u> i. Average Number of patients attending OPD (current year) : <u>43068 patients</u> j. Whether records of patient registration are well maintained : Yes	Adequate																																																																																											
g.	Indoor Physiotherapy Department Areas as per Clinical Load and Intake : (as per M.S.R.) Clinical Load, Total Strength of Hospital Beds, Outdoor Physiotherapy Load per specialty, Indoor Physiotherapy Load per Specialty, Student : Patient ratio per specialty.	Adequate																																																																																											
h.	Outdoor Physiotherapy Department Areas as per Clinical Load and Intake : (as per M.S.R.)	Adequate																																																																																											
i.	Physiotherapy OPD Services (as per M.S.R.) : The hospital shall have functional physiotherapy department providing services on outpatient & in patient department at least since 12 Months prior application & shall maintain required OPD and IPD records for verification.	Adequate																																																																																											
	<ul style="list-style-type: none"> As per Central Council Norms/ University Norms, above Infrastructure must be available at College. If Infrastructure is available, then mark "Adequate" & do not attach any documents. In case of "Inadequate", it must be mark as "Inadequate" with evidence. If attached Hospitals provide valid MOU
