In other hospitals, you are made to feel like a patient, but here you are made to feel like family!” – Cricket legend Sachin Tendulkar visits Sri Sathya Sai Sanjeevani at Kharghar, Navi Mumbai, Maharashtra on 27th November 2019

In commemoration of the First Anniversary of the Centre at Navi Mumbai, cricket legend Sachin Tendulkar visited the hospital and mingled joyfully with little Sanjeevani warriors.

Later as he addressed an august gathering, he reminisced standing on the same ground in 2017 where nothing was built. In a short span of under 1 year, over 100 surgeries have been completed totally free of cost and he extolled that this was nothing short of a miracle!
